“ *My heartfelt sympathy goes out to the entire Crock family. They were great neighbors and I would like to share a memory with Rita. I grew up on Shiplett Rd and rode the bus to Bell School with Joe. Later in the early 1970's my husband and I built a house on Shiplett that was across the field from yours. My son, Robbie, worked for Albert some on the farm. When we moved into the house we built on Shiplett, You and Albert brought me over a beautiful vase. we had peacocks and they would escape to your house now and then if you remember. I still treasure this vase and have kept it on my dresser all these years. It means so much to me still. You are in my prayers and thoughts.*
