“ To the Amicone Family.No words will fill the void of losing such a precious woman of God. The many lives that she touched are better having known her. I saw her eyes light up just playing with Sophie or enjoying a get together. I loved watching her enthusiastic manner, no manner what. But boy, was she loved. This family is like no other. There is a special bond they have. They never hesitate to help out anyone, especially those in need. She taught you well, Mic and you passed that on through your children. Grandma will live on through her children, grand children and and her great-grand children. God got the best in an angel when He called her home. I know the tears will flow, just thinking of her and special holidays or in a song or movie. God bless you all. Rest in the arms of Jesus. We will all see her again. Alainna, I can't help but to pick you out. I love you so much and the love you always shared with grandma and Sophie, just blessed my heart so much. I'm sure grandma and my mom are talking about us and our children. Mic, you are the best son any one could ask for. Harriett I love you too. You have taught me more than you will ever know. Mick is blessed to have you and your lovely children. Love you all. You have all been so very kind to our boys and our grandchildren.You are all in our prayers.Love & prayers,Randy, Sue, Randy & Jeffery WolffCraig Fracker Courtney, Taylor, Baylea, Kyleigh and Abby.
