“ I saw Beth several mos ago and we did a little catching up I guess I am really in shock to hear of her death. I worked with her on the pediatric unit at Bethesda we immediately became fast friends.we started a ceramic business in the house where her parents lived on the east pike and held classes for some of the Bethesda ladies and our friends.We sat up for craft shows in the mall and throughout the county during holidays.We loved doing old world Santas. her boys were young but I remember them well and she was so excited when she found out she was having her daughter Ashley. Life happened and we both did different things.She started her Ceramco business and I went back to school. Funny how you lose track of people but I knew I could call and talk to her at any time. So I am going to say see you later my friend !

“ *Alma, Susan Moore and family*

We are so saddened by Beth's passing. Everytime we saw her, she was so sweet and welcoming. She, along with us, wished we could get together more often. She looked so well at Aunt Maxine's funeral so it is such a shock to us that her health had deteriorated. We would love to come down to attend but with COVID-19, Mom doesn't to go anywhere. We send our deepest sympathies and prayers.

“ I can still see Beth Ann riding my sister's tricycle down the sidewalk. She stopped turned and told me there wasn't any Santa Claus and then she added, "and there ain't no Santa Claus either." So glad I got to talk to you last summer. Will miss you!
