“ *She will be missed by many. She always seemed so excited when I would come home to visit and go up to see her. It made me feel so special. She would even send out her peanut butter fudge for me because it was my favorite.*

“ My deepest sympathies. Bev was such a special lady and neighbor. I have the cat she found as a kitten. Whenever she sent a card she always addressed it to "Sue and Elsa" and, of course, she never forgot to ask about "Elsa" in her phone calls. I will miss visits with her.
