“ *Brad,
My brother, my friend... This house is so very quiet without you. I keep looking around the corner hoping to you see you. My ears strain to try to catch you coming down the steps, or in your room. We fought but we always made up and we laughed about it.. Who am I going to argue with now? I love you Brad, I miss you Toot Toot. You will always be with me, in my heart. I will never forget you, I will always love you and hold your memory close to my heart. Rest now Brad, be at peace. I love you Brad, forever and always.*
