“ My family, house and my heart are filled with your memories. A favorite hat from you for my 40th birthday hangs on the wall. Thank you taking care of Murphy and the house when I had to visit my kids. And in the end taking care of me when I was there with you and the kid's.

We will never forget camping and a squall stalled over Ned while we were on Gold Hill. Girlfriend was calling to warn of flash flooding and we were yelling back and forth from our tents over the deluge. Kid's were naturally scared and still so young. Your low lying tent in the "perfect" flat spot ended up in a 6 inch puddle/pond. Soaked we built our fire did the smores after it passed and slept in cars that night.

Glad in the end I was finally able to know your parent's, meet your family last halloween and they our family. I hope you are all well knowing Bryan is relieved. You are in my thoughts here in CO and with Shelly and the kid's in OH. I looked forward to continuing to look in on you to say hi and catch the odd fish when I am in OH. God bless.

“ He will be missed by many!! I'm so sorry for your loss Dave, Bonnie, Heather and Cory. He and I have been Best Friends for many many years, I'm so sad to lose him, but I'm glad he isn't fighting his illness anymore and he's probably eating breakfast with his Grandpa. I know he will be smiling down on all of us as we have to go through this pain of losing him. Rest In Peace Hadji my wonderful friend. I'll always Love you- Brooke

“ Bryan was my nephew. We were so close in age we played as children like siblings. I'm only 6 years older than Bryan was. He was a Heck of a nice guy and the world will be a sadder place without him. I take comfort in the knowledge that he will be layed torest near my father, his paternal grandfather.

“ So sorry to hear about Bryan. Kory called us first thing this morning. Back in the "old" neighborhood, you would always see T.C, Hadji, and Kory. There were ornery but good boys. Our thoughts and prayers are with you and rest of the family during this difficult time. Kurt & Marylou Agin

“ *I couldn't begin to count how many times Hadji would come to our house after school. During High School he became another one of my "kids", laughing, smiling, eating whatever I could fix for a hungry group of kids. Rest easy now, and know that you will be missed terribly and loved by so many always.*
