“ *In part due to Candice's efforts I became attorney for the Town of Waterloo. So, I was able to serve her as President of the Town Board. It was a great privilege to work with her. She had a vision for the Town to make it a better place to live. Her values were based on a deep faith in God which was inspiring.*

“ *Ken and family -
We were deeply saddened to hear of Candy's passing. She was a stellar individual always doing good for others. Candy always had time for us and was a good listener. She was a good Christian role model.*

Our thoughts and prayers are with you at this difficult time. Since I am still working, I deeply regret I will be unable to get to her memorial but will be there in spirit.

“ My condolences go out to Candi's family! She was such a servant of
God, especially when teaching or counseling students. There were
times when I sat in that big rocking chair in her office for counseling.
I worked with her at Central Noble Middle School (we had too much
fun to call it "work") and also at Camp Lakewood in the kitchen.
Once Candi was whipping up some Mickey Mouse pancakes for the
kids. Something went wrong with the hopper, and soon pancake
batter was everywhere. I knelt down by the stove to clean some of it
up when I felt something dripping onto my head. I said to Candi, "I
hope that wasn't pancake batter," but it was! We laughed until we
cried! I am so glad that she got to realize her dream of owning a
Bed and Breakfast! I just wish that her next chapter in life could
have lasted longer. May the wonderful memories of Candi comfort
her friends and family at this time.

“ Dear friends,

It is with a heavy heart I reach out to you now, my deepest sympathy to you all. May your faith in God guide you through this difficult time. Now in my 21st year teaching at Central Noble, I can remember like it was yesterday working with Candi in the middle school. She was such a blessing to the children she worked with, none of us would every be able to comprehend the profound impact she made on their lives. She was truly doing God's work. She always had a kind word or would make time to listen, dropping whatever task she was working on to be there for someone, in that moment, full of compassion. I am a better person for having known Candi.
