“ Charlotte Ann was a dear childhood friend and neighbor. Although I lost contact with her for a time after she left Brighton, she was always on my mind when I would come home, and finally a few years back Helen and I were able to reconnect with her through MMRD and they arranged for her to visit me in Dayton on two separate occasions, and also at Helen's home in Columbus. We also visited here both at her apartment and at Adams Lane. She brought a lot of joy to us and had a memory for things from our childhood that we had forgotten. Several of my grandchildren who met her fell in love with her. We will miss our visits and calls. Rest peacefully my friend, you certainly deserve it--!! I love you dearly, till we meet again, you friend and sis, Kay Motley...nee Williamson
