“ On October 4th, 1999 I had the great pleasure of meeting Christy. We instantly hit it off. She was so genuine, caring, and dedicated to her friends, family and community. It never mattered how much time passed when we could take a moment to catch up it was as if no time had passed. I was so honored when Christy stood up for me when I got married. I will cherish that and so many memories of Christy. My heart is breaking for all of Christy's family. She was taken from this Earth far too early and will be greatly missed by all who knew her. Rest in Peace Christy!

“ Christy was a beautiful soul. One of those rare individuals that you meet and instantly connect with because you feel her genuine kindness and caring. She was a tireless volunteer for United Way of Guernsey and Noble Counties and also my friend. I will never forget how excited she was to meet the band 38 Special during one of our volunteer activities together!

*Christy - Gary, Jacob and I will miss you terribly! I can't believe you've left us...now who am I supposed to go junking with when we move there in 2 years?? And who will I take care of at family parties now??
♥ And who will help us find our forever home?? There's such a big whole in my heart. You were an amazing woman - wife, mother, friend, coworker...and my sister. You will forever live on in our fondest memories. We love you so much. 💙💙*

“ *There are so many memories that I can't really pick one. I can say she was a truly beloved sister and without her there was a time in my life I never would have made it through.*

“ *We had a great adventure going to Cleveland and visiting the rock n roll hall of fame, then Billy Joel in concert. I could not have survived working at Colgate without her.*
