“ I recall my younger days when our mother Rose Starks would allow us to get our (Annette, Jeannie) hair pressed. It seemed as if Chi-Chi would bring out snacks that we seldom had. I think Mrs. Blanche supplied them. She was always kind and respectful. To be reunited with those whom went before. Godspeed Chi-Chi. Thanks family for sharing her with the world.  
Sincerely

*ChiChi was a special person. At a time when race was focused on more than it should have been, she saw the person. She will always hold a special place in my heart and memories. Rest easy, my friend.*
