“ I am so sorry for not knowing of his passing until tonight. I smile when I remember him always saying "boi" while playing poker. He was comical with his orneriness. While he worked at the Coke plant for many years, he told me how he had his coworkers saying "All up in here" and continued laughing. He really cares about his friends and enjoyed pranking them and making them laughed. He was one of a kind. I will miss him dearly.

“ Dave was a Superior Role Model for me at my pre teen years and teenage years he was the first man to take me hunting . He treated me like a mature adult and talked to me like a friend taught me about guns , burning wood in his cabin to keep the human sent off before a hunt , we talked about fishing and women and life . He was a good man . The very few I knew growing up . We hunted the woods by his cabin and ran into two deer out of season , I had some number 2 buckshot in a 12 gauge pump . I didn't shoot the mating deer . I was about 12 years old he was so happy I didn't he said Shaun we would have had to drag this thing miles out of season you are smarter than you look boy. I took to fishing after that . That was my 1 and only hunting trip but I became an avid rifleman and expert shot I can't express how good of a father and man Dave Soter was , words don't express the emotions I have for a man who loves life and lives how they should . I'm Sure as the sun is hot God has you in his arms my friend Go with love and I'm sure we meet again in the next life
