“ Micheal & John , I cannot begin to tell you how very sad I am to hear about Dolores, what a lady she was, I very much enjoyed caring for her and will miss her greatly, she had 2 wonderful sons, who took very good care of her. God bless you and know that she will always be us.

“ Over the past many years I had the privilege of many long phone conversations with Aunt Dolores. She was a woman before her time. In another time she would have been president - she was so fun to talk to about politics and any other subject. She helped me know a family that I would have otherwise not had the opportunity to know. I am grateful to have known her. She loved the Blessed Mother and I know she is sitting right next to her now. Love to Mike and John.

“ Aunt Dolores was such a joy and, even though we got reconnected late in life, I looked forward to every visit and every phone call. A trip to see her was on my agenda in a couple of weeks, as my husband just went to heaven on May 17th. But I know they are partying together now and I am glad he was there to receive her home. I will miss her laughter and encouragement. Much love to John and Michael from your cuz' Julie.
