“ With all the compassion and comfort my heart can offer, I stand by your loving Family, mourning the tragic loss of the man who was your most Beloved son, brother, father, and friend.

I pray that in this most difficult time, the love of God shelters you and gently eases the pain as you move forward to acceptance and forgiveness.

And if in the darkness you see stars above, the one that shines the brightest is D.L...for he is never lost, as long as we love and remember him.

Peace be with you all.

“ It was with great sadness to learn of the tragic loss of D.L. I will never forget the kindness he showed to our family while my husband battled cancer in Houston. We still make his grilled potatoes that he showed my son to make. D.L. was a great grill master. I still smile when I think of him showing me his garden with the tin foil pie pans to keep the birds out and getting us lost going to a concert in Houston. What a wonderful blessing he was to our family. He will always remain in our hearts.
May the lord carry and hold you all in his arms now and the days to come.
