“Wow! Couldn't imagine living on the same street as her and never checking on her. Also, her dog, Kelly was found deceased with, Donnetta. I'm so sorry you died alone and laid that way for days.

“I am so sorry to hear of Donnetta's passing. She had the most contagious laugh of anyone I have ever met. Always had a great story no matter how bad her day was. I'll never forget her saving all the mums that she could, replanting them at home to make them come back beautiful the following year. Rest in peace my friend, you will be missed.

“Donnetta- you were definitely one of a kind. Dave spent plenty of hours on the phone listening to your outrageous stories. I know he will cherish them all. Rest easy. BB
