“ Condolences to Jean's family and in particular to Bill, a friend from early days. In recent years I was happy to see Jean's emails on pro-life issues because I share her view that we need to get this right and as a country we need to stand for human rights for all people. Bravo to Jean for staying steadfast on this, may her example inspire others, and may she now continue her efforts from her new home with Our Lord. Thanks, Jean!
