“ *I remember Dorr was always the life of the annual Christmas parties we'd have at the house in Chippewa Lake, and his incredible cranberry salad! That tiny little cottage would have 50-60 people in there coming and going, picking at the food on the table, opening the oven to 'snitch' a piece of the pork roast. And he just loved it when we'd pass around all those old socks with the gag gifts, singing Jingle Bells. He had a knack for making people laugh and we always looked forward to him and Aggie coming for the holiday. Aggie, you would always be in the kitchen cleaning up, Dorr would be in the living room cracking up. We loved having the two of you there and loved the fact that the two of you would take the time to travel all the way to our house. We were honored. We'll cherish those memories forever.*

*I will always remember Dorr playing the Easter Bunny at Fair Oaks. Wasn't sure who was having more fun...him, the ones watching him or the kids! He was such a joy to be around and my husband Danny loved Dorr also. He was a great guy. My sincere sympathy to Agnes and the family. Carol*

Aunt Aggie and Family,  
Thinking of you all, so sorry to hear about the passing of Uncle Dorr. I always remember, and laugh, that the first thing he said every time I saw him was "did you bring me a hamburger?" (from my house "Wendy's"). He was always fun to be around. May you find comfort in your memories. Love you all, Wendi Rucker Decker.
