“ *I have always held Dorsella in high esteem, marvelling at her ability to move through life's challenges with grace and dignity. Her patience and inner beauty shown brightly in the smile that she had for everyone. Our paths took us in different directions over time, but I will always treasure the times we played cards and shared infrequent, but joyful family moments.....my children fondly called her Aunt 'Cella. Prayers and comforting thoughts be with her family and many friends.*

May you all find peace in knowing she is safely in the arms of Heavenly Father.

*"To Stevie Jo and Matty Mae,
Two beautiful girls,
each very bright,
and they're very
tight together.
Their eyes are like
big spots in the snow,
because they both glow.
One's three going on ten
the other 10 going on 15?
They both love pets, jewelry,
shoes, and colors.
Their mom and daddy
love them so, and do
their best for them to grow.
As Great Grandma watches
over them at my visits, I
realize not to worry,
These two beautiful girls
are well taken care of
both home and away.
So as I leave and think
my good-bye, I know I
never have to pry, or sigh,
I just feel blessed and have to say,

"I'll see you when I see you"
and until then
love and God bless.*

Great Grandma Dori

PS. Our time together was most wonderful to me."

“ To Dorsella's family, Dorsella was a special lady and loved by all! I have served with her many years at the American Legion Auxiliary Unit 29 where she served as our Chaplain. She was a loving, caring lady who always had special prayers for our meetings! We will miss her smiling face and inspirational prayers! God has lifted up a "very special" Angel into his Heaven above! Rest in peace Sweetie! Love, Shelley
