“ *To Misty, Brian, Jim, Teara, Camden and family-- I am so sorry for your loss. My prayers are with you. I know she will be missed. Teara loved going to visit her and spend time with her, she was always looked forward to those trips to "see Gramma Drema." Even when Drema couldn't see them she called regularly to talk to them and see how they were doing. I too will help keep her memory alive for Teara and Camden--I know they loved her and will miss her. ----- Lisa Sturgill*

“ *I don't know why but one of my memories with my aunt was staying at her house as a kid and her tricking me into thinking shaving cream was cotton candy. LOL. Hey I should've known the difference but she got me. Our family always has had a funny sense of humor but I think it makes us unique as Aunt Drema definitely was. Love ya!*
