“ Dave,
Ellie was a good friend to me. I couldn't get warm tonight and came home and put on a fleece cat sweater she got me for Xmas one year. I hadn't had it on in a couple of years and sat down to watch the news and found out about Ellie passing. I am so so sorry for your loss. Ellie had a wicked sense of humor and always had a twinkle in her eye when she told stories. She loved her kids and grand kids fiercely. She was always up for an adventure. She loved going on road trips, hiking and camping and was never taken back when she was lost. She figured out we'd make it home eventually. Never knew Ellie without having a couple of home projects going on. I am sad

“ *Dave and Family,*

I was sad to hear about Ellie. I was always hoping to see her one more time.

We met at the bank many years ago. I enjoyed spending time with her.

I remember for one of the bank Halloween parties, she dressed as a cat.

I have the picture and will send the original to you. Email me at gnaab@pa.rr.com with your address.

Sincerely,

Gina and Charlie

“ *With much love to David & the family...Ellie & I used to work together for 1st Seneca Bank at the UDSI complex in Franklin many, many years ago. Ellie & I hit it off right away & worked together very well. She had a great sense of humor, loved to laugh & we spent many lunch times & breaks together, along with some others, talking & sharing our lives. We remained friends all these years, even keeping in touch by way of Facebook. I will miss her but I have my memories of her, so Goodbye "EJBKC", save me a seat. Filled with sadness,

“ My thoughts and prayers are with the family during this time. Aunt Elfie was a generous and caring Aunt.

The family was always happy to have us over and always opened their home to us when we would travel to Pennsylvania from Texas.

*Sincerely,
Matt*
