“ *I am so sorry to here of the passing of Em my dad Art smith and Dick were good friends. We lived across the street from the service station for years. We were there everyday, Dick and Em were very nice people. My mom (Beanie) shopped at Nader's very many times. I remember going to try on my school clothes each year if I remember it was on second floor. My dad painted in his spare time and if I remember right he painted their house on Brighton. Just wanted to tell you we thought they were very nice people.*

“ *Becky,
You and Mike have my sympathy. I'll always remember the fun times we had at your house growing up. Your mom put up with a lot and always managed to smile through it all. She was a very nice lady!

“ She was a DEAR lady. She always helped me at Nader;s for many years. Dick and she employed our son for one of his first jobs at the service station. How great they were to him. Also our brother Paul Davis worked for Dick for many years. We went out on their boat on the river and had such a good time. A LOVELY LADY she was... She will always be remembered..
