“ I remember sleep overs at Erin's parent's house when we were kids. We always had fun. So sorry to hear of her passing. Until we meet again

“ Erin and I worked together for a while a few times a long time ago. I bumped into her down the road here and there and it was like no years had gone by. Erin was a very cool lady. She's home now with our Lord. Rest now Erin and thank you for being a nice and kind friend to me.

“ I went to school with Erin. She was gorgeous with a personality to match. Over the years I'd see her every so often around town. I could always count on a hello and that smile. Gone to soon Erin.

“ Erin was my first best friend. We rode the bus together from first grade on. When we were old enough to drive, we of course drove together, but time and different directions separated our lives and I moved away a few years after graduation. We talked a lot on the phone, I remember her birthday parties were always fun and spending the night was awesome. I didn't have a cool bed like she did and then as we got older and interested in boys, there was one she liked in particular but I won't go there. It's a funny one. I'm sorry for your loss and wish I could have spent some more time with you reminiscing about our lives and hope one day to meet again. Rest in peace my friend.

“ I was saddened to hear this from Jeffrey. You were always kind to him. You had such a huge and kind heart and it was very easy to know and care about you. Rest in Heaven Erin!
