“ Dear Aunt Ethel we will all miss you. You will always be in our hearts. As a kid growing up I will always treasure the rides to Zanesville in Dads station wagon heading to grandmas or one on you guys houses. All 7 + kids coming in to visit all day. The love that was shared by every one. How you guys could handle all the kids in one house all day long must have been hard on you guys, but you never let it show if it did bother you. There was always a welcome and love feeling in you home. Just want to say I love you and proud that you are my Aunt. I love you always. love your neice Norma (wheeler) Crawmer.
