“ *I remember as a young girl going to Nader's with my Mamma. Up the stairs we always went to have Eve or Sadie help her shop. I adored Eve & the way she would pick out dresses, skirts , & tops for Mamma. She always encouraged her to take the outfits home & try them on again. Thank you Eve for your fashion sense & helping my Mamma to dress beautifully. Prayers for her family, Vicki Miller*

“ *Oh, the number of times Eve helped me find clothes for school or for a special occasion! She was always insistent I try things on and encouraged me to take them home to see if they worked with my shoes or other parts of the outfit and bring them back if they didn't work for me. She was enthusiastic in her work and attentive. She is what I remember best about Naders. Sending my sincere sympathy to her family.*

“ Dear family, I have such fond memories of going to Naders and enjoyed Eve. I always appreciated her eye for fashion as she selected lovely dresses in very flattering colors for my mother. But funny sorry...So after I was married and moved away, when I had an event planned I needed a dress. After finding nothing I liked where I lived I drove to Zanesville to see Eve! I was sure she would find the perfect dress for me. Well, Eve did not mince words and as she eyed me up and down before going out onto the floor to find something for me, she said, "My, you have quite a back porch there, don't you?" My young self wanted to leave but I stayed and she found me the most beautiful dress! I wore it to many occasions for many years afterwards. I will never forget her! May God wrap His loving arms around you, giving you peace and comfort.
With sincere sympathy,
