“ *Fabrienna is my big sister, when we were growing up you never seen one without the other 💔 I always looked up to her growing up! I will never forget them blue eyes! My sister was such a clean freak, everything in her bedroom had to be like so! So growing up anytime I would sneak in her room to borrow a sweater or a cassette tape yes I said it "cassette tape", lol she would definitely know & I would get it for sure. I ❤️ YOU FABRIENNA ❤️ I will forever miss you!!!*
