“ Aunt Carol was a beautiful, intelligent, funny lady. I remember sitting in her kitchen, when I was 16, while she was piercing my ears. I was a little anxious, but Aunt Carol was so calming and made me laugh. I loved hearing her laugh. She went with us to Myrtle Beach and we teased her about such a tiny lady eating as much as a truck driver! We really could eat mountains of crab legs! She will be missed. Love you, Aunt Carol.

I was wondering why I hadn't seen her at the Senior Center, lately. She was a dear soul and will be missed. Loved how pretty she always looked. Always had a flower in her hair! My heart goes out to Bill and the rest of her loved ones. May she dance among the heavens!

“ Lovely lady. She and Bill were friends of my family for years and I well remember visiting when we were small and playing. She was always full of love and kindness. The world lost some beauty, but, heaven gained an angel.
