“ Frank Sr., Dora, Clara and Frankie Jr. were more than neighbors they were my extended family. My special bond is with Clara who will always be my very best friend for life 50+ years and still going strong. Losing someone in the family is never easy regardless of illness but know that Frank Sr. was blessed with long life and he was happy and content. Having his son as his primary caretaker meant more to him than he could ever express, Frankie Jr. know you were appreciated and loved. Frank Sr., has walked on to his next life may he continue to be blessed with the next mission that is handed to him to complete.. RIH Frank Sr.
