“ *I remember Gabby playing soccer with my daughter Kayla when they were little. She had a beautiful smile and light to her. Was tough on the soccer field and it showed she loved playing. I think it is amazing how her life will live on through others by her organ donations. Lots of prayers to the family, especially her siblings and mom.*

“ Riley sure loved & appreciated Gabby. She was grateful for her friendship & unconditional support in the recent loss of my mother. A true friend & kind classmate, Gabby always had a smile to share. Our hearts are broken for her family, dear friends & classmates for this earthly loss. The grief is unmeasurable however our hope of eternity & reuniting with her again remains. Would like to think my mom was up there welcoming Gabby with open arms. Continued prayers for the Garven Family.
