“ Bernie I am so sad to know the passing of Gerry, she was a great lady and my second mom. Growing up on Orchard Street you and Gerry became a second mom and dad to the whole Scott family, I spent many a day at your home and many overnight stays and Gerry always had a big glass of milk for me and always breakfast but she always made me drink my milk no matter what. My memories of swimming and shopping and just being over at the house my sisters and brothers will sadly miss her. I am sorry for your loss but Heaven has received an angel. “ *Bernie*

Gerry was such a beautiful lady who truly dressed like a lady. Her hats were lovely. She gave Don, Padre Pio oil and Holy Water, when she knew he took his name, when he converted to the Catholic Faith. He cherished those and his friendship with both of you. Gerry will be greatly missed but we know she is strong and happy with our Lord and that wonderful twinkle in her eyes.
