“ Tom...I remember how cool your dad seemed to me. J.R. never
cared for sports but I remember your dad taking us out to hit a
bucket of balls on Newark Road. His patience at teaching me how
to hold a club and how to swing and hit the ball. It started me out on
a lifetime of enjoyment playing golf. So many other memories but
just his way of talking to and accepting me as a person. I'm just so
sorry to have heard of his passing.

“ Those we hold closest to our hearts never truly leave us. They live
on in the kindness they have shared and the love they have brought
into our lives. Tom, Robert and Chris please accept my deepest
condolences on the loss of your Father. My memories of him were
of this kind, friendly, funny, wonderful gentleman. Peace to you all.
