“ *The most fond memory that I hold in my heart of my aunt Dee Dee, is that when I was little I used to get my grandma Marlene confused with her lol I called Dee Dee grandma and grandma Marlene Dee Dee lol. I used to swear that those two were twins. A special memory that I will always hold in my heart was when my grandma Marlene passed, I remember sitting at the graveside with aunt Dee Dee so emotional and upset she wrapped her arms around me and said that I could be her granddaughter, because looking at her I could still see my grandma. I also might add that they were 2 of a kind. It has been an honor to have been a part of her life I thank God that we have a family that is somewhat close knit. We might have our ups and downs but at the end of the day were still there for one another. My condolences go out to her children and grandchildren and uncle Huck. Aunt Dee Dee I love you so much please kiss grandma for me until we meet again. I love you so much my family*
