“ *Kelli and Ned, I'm very sorry for the loss of your dear mother. She was such a sweet person and good neighbor. When I stepped out on my back porch and her little dog barked at me, she apologized but I told her not to worry that she was just doing her job of protecting her. Kay had such a sweet smile. Prayers for you and all the family.*

“ *I had the pleasure of working side by side with Kay for the last 18 years and before that I knew her from my 3 boys being in Head Start. She was like my second mother, I could tell her anything and I knew she would give me the best advice. She was the sweetest and smartest woman. When she retired, it broke my heart, I missed her so much. I know she's no longer in pain and she is in a much better place and she always said she was prepared for this so I know she's at peace now. Heaven sure received a wonderful angel. Praying for you all, Trisha*

“ *I will miss Kay sooo much. She was my boss and best friend at Head Start. She was always there for me even if it meant the middle of the night. One night she picked me up and we went for a ride around town talking about my pain. She shared so many funny stories. I remember her being afraid of spiders, ha,ha. I'm sure there are no spiders where she's at!!! She loved to talk about her husband and family anytime she got the chance. If only we could all have more of Kay in us. Rest in peace Kay. Love Tammy and Mark Wilson.*
