“ To a woman who, for many years of my childhood, was like a second mother to me! I remember spending the night with Jenn and just hanging out with her, Kim and Steve. I even just now recalled one time when I threw up in Steve's truck! :/. Kim was very crafty and has been known to make me a toucan costume for a school something or other! She always remembered my love for cereal and not just any cereal but lucky charms. It wasn't just a single "normal sized bowl" of cereal it had to be in a huge popcorn/mixing bowl! Even went as far to get me my very own with the words "Carrie's cereal bowl!" Of course childhood friends grow up and in many ways grow apart, but the memories of the love and laughter always remain and I will hold them near and dear to my heart until I see her again! Love you Kim! Prayers heading your way Jenn and Steve!

“ There is no words to say right now but sadness. Kim was a wonderful mother and person that was an inspiration to so many. I met her when I was 9 when Jennifer and I became friends in 3rd grade. So many memories there isn't just one I could think of. The one thing I remember so well is that when Jennifer and I was with her going somewhere when we was young the song we always listened to was Deana Carter's "Strawberry Wine"

My thoughts and prayers are with Jennifer, Steve and the rest of the family and friends that knew Kim.

Heidi Burkhart - July 26, 2013 at 04:22 PM

“ *There are no words that can truly express what a kind, loving and helpful person Kim was. She will be greatly missed and I am very honored to have been a part of her precious life, and thankful I was able to share in so many of her days. Hugs to the entire family, especially Steve, Jenny, Brian, Mack and Linda.*
