

Kristie L. Roberts

December 11, 1954 - July 21, 2025

Kristie Lynne Roberts, 70 of East Fultonham, passed away peacefully at 4:10 AM, Monday, July 21, 2025, at Genesis Hospital surrounded by her loving family, following a lengthy illness. She was born Saturday, December 11, 1954, in Cheverly, MD, the daughter of James “Jim” Graham and Dorothy “Dawn” (Pabor) Graham. She married Carl V. Roberts, Jr. on Friday, August 17, 1990, who preceded her in death on Monday, April 5, 2021, and was a member of East Fultonham United Methodist Church.

Kristie resided in East Fultonham, on the family farm which has been in the Graham Family for many decades. Kristie was a graduate of MATC with a degree in Natural Resources, and was a Park Ranger for the Ohio Department of National Resources at Dillon State Park. She also worked with Licking County MRDD for many years.

Kristie was a big hearted person who would do anything to help someone in need. She was always supporting the underdog, and was a fierce advocate for those with handicaps and special needs. She never met a stranger, and would welcome anyone and everyone with open arms.

Kristie loved to craft and make homemade gifts for her friends and family. Before her health started to decline, she had a love of going to church and worshipping God. While confined at home, she still continued her personal

relationship with the Lord.

But most of all, Kristie loved her family. She was an adoring wife, mother, grandmother, sister, aunt and friend who dearly cherished the time she spent with her family and friends.

Kristie is survived by her son, Jon (Amanda) Roberts; her step-daughter, Robin (David Rodgers) Roberts; two grandchildren, Logen & Zoe; one sister, Kathy Combs; two brothers, Jeep (Sandi) Graham and Scott (Jean) Graham; several nieces and nephews, Crystal, Michael, Nicholas, Stephine and Kristianna; cousin's, Sandi Philp, Tim (Phyllis) Graham and Tim (Shannon) Graham

Kristie was preceded in death by her parents, Jim & Dawn Graham, and her beloved husband, Carl.

“ I was just discussing Kristie minutes ago and googled her , saw the obituary and celebration of life today. It's 5:00 pm so I just missed it. I knew Kristie from MRDD but knew her well when we worked together at Licking/Knox Goodwill. I'm so sorry for her loss. God obviously lead her to this page commemorating her life. Deepest sympathy and sincere condolences. I didn't know Carl passed. So sad that both are no longer with us.
