“ *Lois was a wonderful and caring person, inside and out. My fondest memories are looking at the amazing baked houses she made. I remember oooing and awwing over the intricate details. She had the touch. When she came to my Mom's shop to get her hair done, I recall, she had such a sweetness about her. To all the family and Tony, Carl and my thoughts and prayers are with you all. Believe, that someone as special as Lois is resting in the arms of our Lord. Bless you all.*

“ *To the Family;
I have such fond memories of Lois. She was a very kind and loving woman. I was amazed at the beautiful and delicious cookies she baked. I love to bake myself and I would like to think she inspired me to do so. May God comfort and keep you during this time of sorrow. To be absent from the body is to be present with the Lord.*

“ *My family and I share fond memories of Lois.. The first time she brought Christmas cookies my children didn't want to eat them. they thought them too pretty. We were a new family and needed Christmas decorations so I shellaced them and hung them on the tree. They lasted about 5 years.. She became a warm loving friend. With her guidance I over came my fear of preparing dinner parties.*

With love and comfort from our family to yours.

Lois was one the most wonderful ladies I have come across in my life. When we had our pot-luck dinner at the clubhouse she would bring such delicious home cooked meals that were the best I've ever had. She would also bring pies and cakes that were absolutely delicious. She was such a kind a loving person. All here at our condos really miss her smiling face and generous personality. She is greatly missed. May eternal rest and perpetual light shine upon her. God bless and keep you Lois.

Peace be with you. Edward & Yvette Cicale-Hopewell Commons Condominium Heath.
