“ *Kacey and Family,*

We are so sorry to hear about your mom. I will never forget the time your mom came to one of our church's game nights. Trace didn't have anyone to play a game with him so your mom played with him and actually enjoyed it! You guys told me later that she really does enjoy playing games with children, even when you were growing up you said kids would come to your house to play with your mom! What a great memory!
