“ Matt, Hanna and Nate,

*I was so sorry to learn of Betty's passing. I have the most amazing memories of golf, cards, dominoes and sitting on the front porch swing during my years in the Chalcraft family. You are ALL a cherished part of my life. Betty was one of the most caring and kind people I have ever met - the quintessential mother-in-law! If ever there was someone destined for Heaven, it would be Betty. And I'm so happy she is reunited with Chalky and Mike.  
You're all in my thoughts and prayers during this difficult time.*

*Much love,*

“ My heartfelt condolences to all family members (including her beloved sisters from Illinois) on the passing of Betty. Knowing she is in the presence of her Father in heaven is a comfort, as she had a lot of faith in God. It is not difficult to describe this beautiful lady as she was one of the most loving and joyful person who always lightened up my life after spending time with her. Earlier she attended any venue where Hanna and John were playing and singing. Betty loved each of her family members so very much. I shall always remember her as a role model with much love, Evelyn Miller.
