“ *Oh Maria how you are missed! I became aware of your passing just a few days ago when I saw one of the students. I so enjoyed our time at OUZ together and then crossing paths with you many times at the schools.*

*You were so talented, caring and giving of yourself and your smile was so contagious. You will be forever missed. My heart goes out to her family. Until we meet again...there will be many people thinking of you as you watch over us.*

*“ Sis. Marie... You're such a sweet and nice person! Back then, 2 decades ago, you were the one who keep on encouraging us, the new counselors. You helped us get matured in this ministry until we became leaders as well. Your soft and humble spirit and the unwavering support given to others made me treat you like my own sister.  
The excitement of meeting you and David will only stay in our (with my family's) hearts. No more blooming flowers and hand-made arts that you will show forth to us.  
Now, you are in the hands of our LORD and MASTER.. Rejoice my Sister!*

“ Marie, I will always treasure the times we had together in counseling. You were one of the faithful ones who were there Sunday after Sunday, Friday overnight counseling for our midnight TV program, Saturday ministry meetings...you are there. And that I will always remember about you. You are always around there when somebody needed someone with kind words of encouragement...you are there when somebody needed a helping hand. Thank you Marie for making my memories of the Counseling Ministry special...you will always and forever be in my heart... Thank you David for being there for Marie.

“ *Maria was as beautiful a person as those splendid flowers she so tenderly cared for. I can no longer see a colorful blossom in all its glory without thinking of Maria whose green thumb bordered the supernatural. She gave of herself so freely and was so gifted as a creative artist that wonderful and original designs could always be expected to issue from her heart and imagination. She was a gift from God for all of us who were fortunate to be a part of her life. She will be missed, but her spirit will continue to live on in our hearts and memories.*
