“ *Mary was my cousin, but I always called her my Aunt. I remember fondly the summers that I spent at her home playing with my cousins, Larry, Mary and Liz. Having lived in the city, it was wonderful to be among the fruit trees, corn fields and vegetable garden, feeding the chickens and playing all day as an elementary school girl. Mary was a beautiful lady, both inside and out. She taught me how to knit and crochet. I think of her every time I begin a project. She had a love of God, family and country. I remember introducing her to my husband-to-be at the time and she winked and said that she gives us her blessing. Both my husband, Frank, and I will miss Mary greatly. She was a big influence on me growing up and to the present time. Our heartfelt sympathy and condolences to Aunt Mary's family.*
