“ *I am so sad to hear of Marian's passing. I will always remember her laugh, great sense of humor and blunt honesty. She had no problem "telling you like it is" which I loved. Rest in peace.*

“ *I am so grateful and blessed to have been able to care Marian as her nurse. She lit up the room and always had a positive attitude no matter what. She was kind, sweet, witty, and a hoot! We all loved taking care of her. I will never forget my time with her.*

“ I have too many favorite memories to share and I'm grateful for them all. Marian was an amazing lady, very strong and independent, her family and friends were blessed to have her, and she loved them all. I met Marian after I married her cousin Louie Edwards and we became friends when she came to work at Dollar General with me. Marian was a great listener and I'm grateful for all the times she was there for me, she had a heart of gold and her soul was as beautiful as she was. I will love and miss her for the rest of my days. Prayers for comfort and support for all her loved ones and friends.

*When I first received word of Marian's passing the tears started flowing. At first I was so so sad that a beautiful soul had left us; but the tears kept coming and then I started remembering all the good times we had shared, the laughter that never stopped, the person who had made my life so much better. Happy Tears! I am feeling so much sorrow for you Stephanie, David and Kristen and to the grand babies that were her constant joy. Your beautiful Earth Angel is flying high and smiling down on us all. Forever my friend and you will always be on my mind and in my heart every time I think of you Marian I will smile❤️.
