“ *Mark and Bev have been dear friends to me for years and years - from the time I was a little girl and moved to the neighborhood, growing up playing with Kim, to the younger children, Ashlee and Ryan, growing up between our houses. That ornery smile of his will live on in my memories, and I am sending my love and prayers to all y'all from TX. Bev, bless you, my friend - I wish I could provide to you the comfort you and Mark gave when my Mommy and Daddy died. I pray that God gives you peace and strength, and the grace to get through this loss.*
