“ I was her caregiver for 2 years. We affectionately referred to her as "MJ." I remember well how she would ask me once a week to wash her hair in the kitchen sink and set it in curlers. She always went out for pizza every tuesday with her best friend Loraine and they would come back and play yahtzee. MJ was my favorite client in the 2 years I worked with her and she treated me like family. I will miss her dearly.

“ I had the pleasure of knowing this wonderful woman. I met Mary Jane through her Daughter Pam..best friends we became. Mary Jane opened her heart and door to me as though I was one of her own. What a great soul she was. One of my fondest memories with her was a time that I had went to her house and my back was hurting. Mary Jane said , I got something that will help pointing at this massage table thing that was in her livingroom. So I laid on it and Mary Jane turned it on (high) i jumped up so fast..she and Pam were in tears from laughing. But i will say this..It did make me forget the pain in my back.
Mom...May you rest with the Angels and watch over us.. Thank you so much for taking me in.
