“ "The measure of a life well-lived is not in the money one has or in the possessions they've accumulated, but in the lives they've touched and the sorrow they leave behind." Mikey truly touched so very many lives. Sending my deepest condolences for the loss of the husband, father, brother, son, and friend loved by so many.

“ Macklin and family, I am heart sick to hear of the loss of Mikey. You boys were always as much a part of my family as my own daughters were. I have so many great memories of the times you spent at the house and could not begin to tell you the countless stories I have been told about the great times you all shared with my girls and the Baker girls~ laughing, playing cards, listening to music, and just goofing off and being best of friends! Mikey will be greatly missed my many and fondly remembered by all who knew him for the person he spent his lifetime being- one that made everyone smile and love him from their heart! I pray that these days of heartache will pass quickly for you all and that God will send you the strength you will need to get through them, replacing your pain with a multitude of loving memories of all you were blessed to have shared with him. I am only a phone call away if you need anything at all. Love and hugs, Becky
