“ *So saddened to read about Pat's passing. She was the secretary for the Chapter One/Title 1 program and was a wonderful secretary to all of us that worked in that program. She was so gracious and talked about you all so often. You were truly the loves of her life. Cherish those memories. My thoughts are with you & family.*

“ *I was very sad to learn of Pat's recent death. She and I were colleagues at the Zanesville City Schools' Administration Center. Pat was always such a delight to talk with, and her interest -- and pride -- in her children was very apparent. I am sorry to learn that her life on this earth -- with those she dearly loved -- has ended. May God continue to comfort, console and guide each of you in the days and weeks ahead. Dottie Briggs*

“ To Steve & all the Blaz family
I'm so sorry to hear about your mom's passing. It seems like only yesterday when all the "Chicago" people got together as family because we had none in Zanesville. Time goes by so fast and is not always kind. We lost mom in 2005 & dad in 2008. Thoughts & prayers are with all of you from "The Rocca's".

“ Dear Susan, Steven, Scott, Shawn,
I am so shocked and saddened to learn of my wonderful friend's passing. As you know, we worked hand-in- hand in Chapter One for many years. With her gracious ways and her beautiful personality, she just seemed to make everything run more smoothly and every day so pleasant in the office. It is my misfortune that we had not seen one another for several years, but my memories of your wonderful mother are still warm vibrant. I'm sure that each of you knows how proud she was of her children. She always kept all of us in the office up to date on your news. And oh how she looked forward to those trip to the West! I extend to you all my affection and deepest sympathy.
Most sincerely,
Margaret Starkey

I am so very sorry for your loss. Pat will be missed by many. She was so proud of her children and enjoyed visiting each one of them. I saw her in the Kroger's parking lot a month or so ago and she told me about her stay with the boys and how Susan was still enjoying life in Maryland. She loved sharing stories about her children and I enjoyed hearing about them. She was a wonderful friend.
