“ *My sympathy to the family on the death of my cousin, Patty.*

As a young girl I visited my grandmother, Eva Hillis, on the farm near Moxahala and Patty and I would play together since she lived close by. We would wade in the creek and play in the sandbank in the summer and gather hickory nuts in the fall. We were flower girls in organdy dresses at my Aunt Rose's wedding. I wore pink and she wore blue.

I have happy memories of our young years together when I lived in New Lexington on Pleasant Street. May you, too, receive joy in recalling your happy memories of Patty.

Sincerely,

Georgann Hillis Metzger

“ Pat Green was much admired and loved by my father-in-law, John W. Taylor, a former Perry County Engineer. She was very much a part of his life and of ours. I am sorry to hear that she has left us, but her memory will never leave us. Our daughter, Jocelyn, is now married to a distant relative of Patricia's husband. So now her name is Jocelyn Green. We remember all the kind things she did for our family. My heart is with her family. Judie Taylor (Mrs. John K. Taylor)
