“ *Dear Ed, Barbara and I are so very sorry to learn of Pat's passing. She was, indeed, a very special person not only to me, but to all of my many graduate students who loved her as a second mom and depended on her guidance and support. She was much more than a terrific secretary; she was a terrific person who would always give of herself when needed. She was loved by all of us and will be deeply missed. However, there is some comfort in the fact that we still have the many fond memories of her and the times we spent together. On behalf of all of my former students, my wife and myself, please accept our sincere condolences to you and your family. Pat will be missed, but never forgotten. Bob Christina Greensboro, NC*

“ Dear Ed, We were so sorry to hear of Pat's passing. We have such fond memories of both of you as our neighbors. We swear sometimes Rudy thinks you still live there! Cutter is in 10th grade and 6'3". I'm not sure you'd recognize him! We cherish the beautiful ceramics Pat gave to him. Pat was a beautiful person, inside and out. I remember the incredible love she felt for her family. We will keep your entire family in our prayers.

“ Dear Ed, I knew Pat when I was a grad student at Penn State, 1979-1982, working with Bob Christina. She was an incredibly wonderful person. She understood the struggles many of us faced as grad students, and she was always there to help and encourage. We gave her the nickname "Pat the Greek," because she organized the weekly football pool during fall football season. We continued to correspond for many years around the holidays. She will indeed be missed, but never forgotten. Please accept my condolences.
