“ It just isn't possible. Pat was much too full of life to be gone--too bright a light to be extinguished. The photo above says it all. Whenever I think of Pat, I picture her grin that would turn into a huge smile just before she started to laugh. She had such a great wit and was always fun to be around. She loved her family with all her heart and was fiercely protective of them, like a mother grizzly bear. You five kids were so fortunate to have her for your mother. She wanted you all to have a great life growing up, and she did her best to make that happen. I am very grateful that I was able to have shared in some of that fun. She was a valued and trustworthy friend for life, as many people, including my Mom, can attest. This is such a huge loss that it's very hard to wrap my mind around. I haven't been able to think about anything else since I heard. My heart goes out to all of you. I know you already know this, but your Mom was one-of-a-kind and a real treasure--a truly wonderful person. She will be deeply missed.

“ There is so much about the wonderful women known as Aunt Pat. I speak of the memories and the Myers Family often. Remembering the family gatherings in your huge basement. The adults would play cards and food would be carried in. I could not wait for dessert from the best pie maker. I'm so glad we got to spend so much time together when we were kids. Those good old time memories have been with me my entire 57 years and I speak of them often more now than ever. The fun we had riding bikes, playing games, dolls, and picking on each other seem so simple. Where did the time go? My sympathy to each and everyone of you. Your Mother's legacy will carry on with your children and grandchildren. I will not be able to be with you all tomorrow but please know you are in my heart, thoughts and prayers. I would like to try to get all your addresses so I will include my email address. All my Love and Hugs, Diane (Donnelly) Gearhart
