“ I’m so sorry to hear the passing of Butch, I have so many memories of sitting on his porch across from Grandma Smiths, during the summers listening to his stories. Although years may have passed from each time I seen him or ran into him he always remembered me and was always so fun and pleasant. My heart goes out to Bertie, Tammy, Marie and Paula during their time of loss. God gained another angel and always know that he didn’t go alone because a piece of everyone that knew him went with him.
