“Where do I begin? Bobby and I grew up down the street from each other! I was shocked when I saw an obituary listed for him. Vickie, Kathy and family you have my heartfelt condolences. Bobby was always such a kind soul. May you be comforted by precious memories of growing up together and life as grown ups. In the words of one of his favorite songs that was shared, “people get ready, for the train that’s coming!” Because He is coming for each and everyone of us who are still here. The ticket has no return and has been paid in full!!! We must ready ourselves In Christ Jesus, so we too, can get on board!”

“Words can not describe Bobby, my good friend. So many years working with him at Timmons Buick/Oldsmobile. Also, the many hours just sitting in his garage behind his home place on Prospect talking about cars and motorcycles. Bobby was the real deal. A person to be trusted. You will be missed.RIP my friend... I will close with one of Bobby's favorite songs.
