“ *My Aunt Rosie, I love her dearly and will miss her. She was a genital soul who is now with her loved ones in heaven. I have often thought of our times together in Golden Co and on New Milford road in Ravanna at uncle Ray's. She will be remembered by me laughing as she did a lot. And those big pans of Chicken cacciatore that were a main coarse at family get togethers. May she rest in Peace her suffering has ended here on earth. I love you Aunt Rosie.* ”

“ I love you Aunt Rosie! xoxoxo I knew Aunt Rosie the longest out of all my Aunts and Uncles... The best part of knowing Aunt Rosie was figuring out what part of me is like her! What traits did we have in common! Describing in one word. Emotions! I wish I would have known her longer to figure out more. That's my only regret... May God lead you in your next journey my Aunt Rosie!!! I hope sometime we will meet again.

“ Rosie was always a sweet and happy person that I looked up to as a child. She was quick to smile. I remember being so delighted whenever she heard from Nick. She adored him and got so excited to hear from him. I haven't seen her in many years but could never forget her. Good bye, Rosie. You will be missed.
