“ I truly love this woman and will miss our Monday rug hook-ins at her home. She taught me so much about rug hooking. She may have been 85 but she was the youngest person I know in heart and soul. Sending prayers for the families healing. We were all blessed to know her.

“ Shirley delighted us at the Young at Heart luncheon by sharing a secret that she was a T.O. When we asked her what it meant, she said it used to be called a P.K.(preacher's kid). The new term stands for theological offspring, T.O. We all laughed with her. We will all miss Shirley. My love, my prayers, and my deepest sympathy goes out to her beautiful family.
